

# Pre School Arts Immersion Programs... ages 3 to 6

## An introduction to Ballet, Tap, Acting & Acrobatics

*Age appropriate programs taught by a professional staff, offering an excellent introduction to the performing arts!*

**Pre Tap** (4+ to 6)... learn Broadway style tap with charismatic teacher and Broadway dance legend Scott Wise! The classes will focus on technique, vocabulary, rhythm, and dance style. Great fun for young children who love to make noise! The classes will consist of a warm up, exercises across the floor and combinations suited to class level.

**Creative Movement** (3 to 4)...This unique and lively class opens up a world of possibilities for children through a creative exploration of movement. The structures within the class will teach students how to work imaginatively, through a problem-solving approach, and how to observe and make choices. In this non-competitive and nurturing atmosphere, students will have the opportunity to delve into balance, shapes, rhythm, and locomotion. Children will delight in the imagery and playful activities presented to them and will benefit from both physical and social outcomes.

**Pre Ballet** (4+ to 6)... This unique and lively class opens up a world of possibilities for children through a creative exploration of movement. The structures within the class will teach students how to work imaginatively, through a problem-solving approach, and how to observe and make choices. In this non-competitive and nurturing atmosphere, students will have the opportunity to delve into balance, shapes, rhythm, and locomotion. Children will benefit from both physical and social outcomes. Ballet positions, technique and vocabulary will be taught. This class is excellent preparation for Ballet 1.

**Little Stars** (4 to 6)... Famous children's stories burst to life as your children explore their own creativity, vocalization, and movement using these incredible tales. This popular class focuses on physical, social, and artistic development. These theatre voyagers will journey through the pages of some of the most ingenious and interesting authors; adapting these pages, adding song and movement and re-enacting the stories. Reading and memorization is not required. The main rule for this class: Have fun!

**Rough & Tumble** (4 to 6)... For BOYS only! In this introduction to acrobatics, Scott Wise shares all his skills to becoming a stage acrobat! Scott is renowned on Broadway for his exciting dance tumbling. This is not gymnastics, but a theatrically based acrobatics and tumbling class. Students will learn the basic building blocks of tumbling. This is a great way to improve upper body strength, total body coordination, and most importantly, student confidence! Small class size. Acro 1 classes are offered beginning at age seven, and are co-ed.
