

The Broadway Experience at fineline theatre arts

Love the hit show Glee!? Introduce your child to all the elements of Broadway performance: singing, dancing, acting, costume, and set design and construction! Students will participate in the staging and development of a one act musical under the tutelage of a high calibre faculty. Directed by Broadway Tony Award winner Scott Wise, students will explore vocal technique with Broadway veteran Alecia Evans, acting technique with Fineline Acting Director Leland Williams, and staging and choreography with Scott. Students will create their own costumes from the Fineline costume shop and help construct, design and paint production sets. The two weeks will culminate in an informal performance.
