**there has been a tuition reduction for these tap classes*

Please note: Beginner and intermediate students must register and pay for all classes in a given week; teen/adult classes may be used as a drop-in. The exception is for students who also want to attend the Improv class which poses a conflict on the Thursday, July 7th class. If you register for both, the tap will be prorated one day to allow you to attend Improv.

A great opportunity to fortify your tap skills with charismatic teacher and Broadway Dance Legend, Scott Wise! Classes will focus on technique, vocabulary, rhythm, and dance style. The classes will consist of a warm up, across the floor work, and combinations suited to each class level.
